52 21 b. Beginning July 1, 2008, notwithstanding any law or rule

53 3 calculated for payment under this subparagraph (2) shall be
53 4 forfeited and the nursing facility shall not receive any
53 5 accountability payment for the year.

109 6 striking the section and inserting in lieu thereof the
109 7 following:

109 8 135B.34 HOSPITAL EMPLOYEES == CRIMINAL HISTORY AND ABUSE
109 9 RECORD CHECKS == PENALTY.

109 10 1. Prior to employment of a person in a hospital, the
109 11 hospital shall request that the department of public safety
109 12 perform a criminal history check and the department of human
109 13 services perform child and dependent adult abuse record checks
109 14 of the person in this state. A hospital shall inform all
109 15 persons prior to employment regarding the performance of the
109 16 records checks and shall obtain, from the persons, a signed
109 17 acknowledgment of the receipt of the information. A hospital
109 18 shall include the following inquiry in an application for
109 19 employment: "Do you have a record of founded child or
109 20 dependent adult abuse or have you ever been convicted of a
109 21 crime, in this state or any other state?"

109 22 2. a. If it is determined that a person being considered
109 23 for employment in a hospital has committed a crime, the
109 24 department of public safety shall notify the hospital that
109 25 upon the request of the hospital the department of human
109 26 services will perform an evaluation to determine whether the
109 27 crime warrants prohibition of the person's employment in the
109 28 hospital.

109 29 b. If a department of human services child or dependent
109 30 adult abuse record check shows that the person has a record of
109 31 founded child or dependent adult abuse, the department of
109 32 human services shall notify the hospital that upon the request
109 33 of the hospital the department of human services will perform
109 34 an evaluation to determine whether the founded child or
109 35 dependent adult abuse warrants prohibition of the person's
110 1 employment in the hospital.

110 2 c. An evaluation performed under this subsection shall be
110 3 performed in accordance with procedures adopted for this
110 4 purpose by the department of human services.

110 5 d. (1) If a person owns or operates more than one
110 6 hospital, and an employee of one of such hospitals is
110 7 transferred to another such hospital without a lapse in
110 8 employment, the hospital is not required to request additional
110 9 criminal and child and dependent adult abuse records checks of
110 10 that employee.

110 11 (2) If the ownership of a hospital is transferred, at the
110 12 time of transfer the records checks required by this section
110 13 shall be performed for each employee for whom there is no
110 14 documentation that such records checks have been performed.
110 15 The hospital may continue to employ such employee pending the
110 16 performance of the records checks and any related evaluation.

110 17 3. In an evaluation, the department of human services
110 18 shall consider the nature and seriousness of the crime or
110 19 founded child or dependent adult abuse in relation to the
110 20 position sought or held, the time elapsed since the commission
110 21 of the crime or founded child or dependent adult abuse, the
110 22 circumstances under which the crime or founded child or
110 23 dependent adult abuse was committed, the degree of
110 24 rehabilitation, the likelihood that the person will commit the
110 25 crime or founded child or dependent adult abuse again, and the
110 26 number of crimes or founded child or dependent adult abuses
110 27 committed by the person involved. If the department of human
110 28 services performs an evaluation for the purposes of this
110 29 section, the department of human services has final authority
110 30 in determining whether prohibition of the person's employment
110 31 is warranted.

110 32 4. a. Except as provided in paragraph "b" and subsection
110 33 2, a person who has committed a crime or has a record of
110 34 founded child or dependent adult abuse shall not be employed
110 35 in a hospital licensed under this chapter unless an evaluation
111 1 has been performed by the department of human services.

111 2 b. A person with a criminal or abuse record who is
111 3 employed by a hospital licensed under this chapter and is
111 4 hired by another licensee without a lapse in employment shall
111 5 be subject to the criminal history and abuse record checks
111 6 required pursuant to subsection 1. If an evaluation was
111 7 previously performed by the department of human services

111 8 concerning the person's criminal or abuse record and it was
111 9 determined that the record did not warrant prohibition of the
111 10 person's employment and the latest record checks do not
111 11 indicate a crime was committed or founded abuse record was
111 12 entered subsequent to that evaluation, the person may commence
111 13 employment with the other licensee while the department of
111 14 human services' evaluation of the latest record checks is
111 15 pending. Otherwise, the requirements of paragraph "a" remain
111 16 applicable to the person's employment.

111 17 5. a. If a person employed by a hospital that is subject
111 18 to this section is convicted of a crime or has a record of
111 19 founded child or dependent adult abuse entered in the abuse
111 20 registry after the person's employment application date, the
111 21 person shall inform the hospital of such information within
111 22 forty-eight hours of the criminal conviction or entry of the
111 23 record of founded child or dependent adult abuse. The
111 24 hospital shall act to verify the information within
111 25 forty-eight hours of notification. If the information is
111 26 verified, the requirements of subsections 2, 3, and 4
111 27 regarding employability and evaluations shall be applied by
111 28 the hospital to determine whether or not the person's
111 29 employment is continued. The hospital may continue to employ
111 30 the person pending the performance of an evaluation by the
111 31 department of human services to determine whether prohibition
111 32 of the person's employment is warranted. A person who is
111 33 required by this subsection to inform the person's employer of
111 34 a conviction or entry of an abuse record and fails to do so
111 35 within the required period commits a serious misdemeanor.

112 1 b. If a hospital receives credible information, as
112 2 determined by the hospital, that a person employed by the
112 3 hospital has been convicted of a crime or a record of founded
112 4 child or dependent adult abuse has been entered in the abuse
112 5 registry after employment from a person other than the
112 6 employee and the employee has not informed the hospital of
112 7 such information within the period required under paragraph
112 8 "a", the hospital shall act to verify the credible information
112 9 within forty-eight hours of receipt of the credible
112 10 information. If the information is verified, the requirements
112 11 of subsections 2, 3, and 4 regarding employability and
112 12 evaluations shall be applied by the hospital to determine
112 13 whether or not the person's employment is continued.

112 14 c. The hospital may notify the county attorney for the
112 15 county where the hospital is located of any violation or
112 16 failure by an employee to notify the hospital of a criminal
112 17 conviction or entry of an abuse record within the period
112 18 required under paragraph "a".

112 19 6. A hospital licensed in this state may access the single
112 20 contact repository established by the department pursuant to
112 21 section 135C.33 as necessary for the hospital to perform
112 22 record checks of persons employed or being considered for
112 23 employment by the hospital.

137 32 appropriates funding from the general fund of the state for
137 33 the department of elder affairs, the department of public
137 34 health, and the department of veterans affairs.

137 35 The division appropriates funds from the gambling treatment
138 1 fund in lieu of the standing appropriation in Code section
138 2 135.150 for addictive disorders and provides for use of the
138 3 funds remaining in the fund.

138 4 The division appropriates funding from the general fund of
138 5 the state and the federal temporary assistance for needy
138 6 families block grant to the department of human services. The
138 7 allocation for the family development and self-sufficiency
138 8 grant program is made directly to the department of human
138 9 rights.

138 10 As part of the Medicaid appropriation, DHS is required to
138 11 maintain a separate account for deposit of funds remitted from
138 12 a third-party contract for behavioral health services and
138 13 appropriations of the state share of such funds remitted for
138 14 FY 2008=2009 are made for various purposes.

138 15 The reimbursement section addresses reimbursement for
138 16 providers reimbursed by the department of human services.

138 17 This division also changes the method under 2001 Iowa Acts,
138 18 chapter 192, by which increased reimbursement to certain
138 19 nursing facilities is provided based upon accountability
138 20 measures.

138 21 The chairpersons of the joint appropriations subcommittee
138 22 on health and human services are required to convene a group
138 23 of various interests to review drug product selection. This
138 24 provision takes effect upon enactment.

138 25 SENIOR LIVING TRUST FUND, PHARMACEUTICAL SETTLEMENT
138 26 ACCOUNT, IOWACARE ACCOUNT, HEALTH CARE TRANSFORMATION ACCOUNT,
138 27 AND PROPERTY TAX RELIEF FUND. This division makes

138 31 the Iowa finance authority.

138 32 The division makes an appropriation from the pharmaceutical
138 33 settlement account to the department of human services to
138 34 supplement the medical contracts appropriation.

138 35 The division makes appropriations from the IowaCare account
139 1 to the state board of regents for distribution to the
139 2 university of Iowa hospitals and clinics, and to the
139 3 department of human services for distribution to a publicly
139 4 owned acute care teaching hospital in a county with a
139 5 population over 350,000, and to the state mental health
139 6 institutes for purposes related to the IowaCare program and
139 7 indigent care. The division makes an appropriation to the
139 8 department of human services from the health care
139 9 transformation account for various health care reform
139 10 initiatives. The division includes a transfer from the
139 11 account for health care transformation to the IowaCare

139 14 developing a plan for the IowaCare program beyond June 30,
139 15 2010.

139 16 An appropriation is made from the property tax relief fund
139 17 for the medical assistance program in lieu of distribution of
139 18 certain revenues received from utility replacement generation
139 19 tax revenues received as of April 1, 2008.

139 20 Code section 426B.2, relating to distribution of
139 21 replacement generation tax revenues from the property tax
139 22 relief fund to counties, is amended to change a date and to
139 23 authorize the department of management to revise budgets to
139 24 reflect the amount of such revenues to be distributed.

139 25 If the total amount appropriated from all sources for the
139 26 medical assistance program for FY 2008=2009 exceeds the amount
139 27 needed, the excess reverts to the senior living trust fund.

139 28 MH/MR/DD/BI SERVICES ALLOWED GROWTH FUNDING == FY
139 29 2008=2009. This division codifies a new emerging mental
139 30 health crisis services system and a new mental health services
139 31 system for children and provides for distribution of the
139 32 services funding previously appropriated for FY 2008=2009.

139 33 Code section 225C.5 is amended to provide for
139 34 representation on the commission for agencies serving persons
139 35 with a substance abuse problem.

140 1 New Code section 225C.19 provides for establishment of an
140 2 emergency mental health crisis services system through the
140 3 division of mental health and disability services of the
140 4 department of human services. The purpose of the system is to
140 5 provide a statewide array of time-limited services to reduce
140 6 escalation of mental health crisis situations, relieve the
140 7 immediate distress of individuals experiencing a crisis
140 8 situation, reduce the risk of individuals in a crisis
140 9 situation doing harm to themselves or others, and promote
140 10 timely access to appropriate services for those who require
140 11 ongoing mental health services.

140 12 The system's general requirements are outlined in new Code
140 13 section 225C.19, including definitions, purpose, statewide
140 14 availability, goals, required elements, and initial
140 15 implementation through competitive block grants.

140 16 New Code section 225C.51 provides definitions of the terms
140 17 "child" or "children", "children's system" or "mental health
140 18 services system for children and youth", "functional
140 19 impairment", "other qualifying mental health disorder",
140 20 "serious emotional disturbance", and "youth". "Youth" is
140 21 defined to mean a person age 18 or older but less than age 22
140 22 who met the criteria for having a serious emotional
140 23 disturbance prior to age 18.

140 24 New Code section 225C.52 states the purpose and the goals
140 25 and outcomes desired for the children's system. The purpose
140 26 is to improve access for children and youth with serious
140 27 emotional disturbances and youth with other qualifying mental
140 28 health disorders to mental health treatment, services, and
140 29 other support in the least restrictive setting possible so the
140 30 children and youth can live with their families and remain in
140 31 their communities.

140 32 New Code section 225C.53 outlines the role of the
140 33 department of human services as the lead agency for the
140 34 children's system and designates the division of mental health
140 35 and disability services to fulfill various responsibilities
141 1 relating to the system.

141 2 New Code section 225C.54 outlines requirements for the
141 3 initial implementation of the system in FY 2008=2009 using
141 4 competitive block grants through existing community mental
141 5 health centers, providers approved to provide services in
141 6 place of a community mental health center, and other local
141 7 service providers, requiring the department to analyze options
141 8 for leveraging additional Medicaid options, and engaging local
141 9 school, child welfare, juvenile justice, mental health, and
141 10 health care professionals. Certain services, such as

141 11 school-based mental health services and the development of
141 12 mental health assessment capacity based in public and
141 13 nonpublic schools and clinical settings, are required to be
141 14 supported through the block grants. The services supported
141 15 may also include other services such as mobile crisis
141 16 intervention services and prevention-oriented services.
141 17 Code section 331.439, relating to county mental health,
141 18 mental retardation, and developmental disabilities services
141 19 plans, is amended to allow the department of human services to
141 20 extend for good cause the county deadlines for reporting
141 21 associated with the services.

141 22 The department is required to regularly report on the
141 23 status of the implementation to the mental health, mental
141 24 retardation, developmental disabilities, and brain injury
141 25 commission, governor, and general assembly, including an
141 26 annual report each January. The previously made appropriation
141 27 in 2007 Iowa Acts, chapter 215, is revised and the brain
141 28 injury services program distribution through the department of
141 29 public health is eliminated.

141 30 DHS is authorized to implement a pilot project for a
141 31 regional services network for services paid from a county
141 32 MH/MR/DD services fund, limited to the two-year period of July
141 33 1, 2008, through June 30, 2010. Various cooperative actions
141 34 are authorized for the counties electing to participate in the
141 35 pilot project, including pooling of services funds and waiver
142 1 slots.

142 2 The legislative council is requested to create a task force
142 3 to consider county-state shared funding for the mental health
142 4 and disability services covered by the Medicaid program.
142 5 Additionally, the department of human services, division of
142 6 mental health and disability services, is directed to appoint
142 7 a stakeholder committee to work on updating Iowa law and rules
142 8 pertaining to community mental health centers.

142 9 HEALTH CARE TRUST FUND. This division includes provisions
142 10 relating to health care and makes appropriations from the
142 11 health care trust fund.

142 12 Appropriations are made from the health care trust fund to
142 13 the department of public health for addictive disorders,
142 14 healthy children and families, chronic conditions, and
142 15 community capacity.

142 16 Funds are appropriated from the health care trust fund to
142 17 the department of human services for medical assistance and
142 18 mental health, mental retardation, and developmental
142 19 disability (MH/MR/DD) services allowed growth. Under the
142 20 appropriation for the medical assistance program, funding is
142 21 specifically allocated for a grant to the Iowa healthcare
142 22 collaborative. The appropriation for MH/MR/DD allowed growth
142 23 is to be credited to the property tax relief fund from which
142 24 it is appropriated in another part of the bill.

143 3 designated as carryover funding under the initiative that is
143 4 unencumbered or unobligated at the close of fiscal year
143 5 2007=2008 will not revert as provided in Code section 232.188

148 11 agencies to enter into memorandums of understanding outlining
148 12 the agencies' responsibilities in the system; working with
148 13 private businesses, foundations, and nonprofit organizations
148 14 in implementing a public-private partnership to develop and
148 15 provide funding for the system; and maintaining an internet
148 16 site for the early childhood Iowa council and its component
148 17 groups.

148 18 The bill addresses criminal and abuse records of
148 19 prospective and current employees of licensed hospitals (Code
148 20 section 135.34) and health care facilities (Code section
148 21 135C.33) and certain health-related programs and services and
148 22 provides penalties.

148 23 Under current law, Code section 135B.34 authorizes
148 24 hospitals licensed in this state to access the single contact
148 25 repository established by the department of inspections and
148 26 appeals in order for the hospital to perform record checks of
148 27 persons employed by or being considered for employment by the
148 28 hospital. The bill retains this authorization and requires
148 29 criminal history and child and dependent adult abuse record
148 30 checks to be made in Iowa. Under current law, performing the
148 31 checks and prohibition of employment are optional for
148 32 hospitals but required for facilities, services, and programs
148 33 under Code section 135C.33.

148 34 The bill amends Code section 135C.33, relating to required
148 35 criminal history and child and dependent adult abuse record
149 1 checks relating to employment by licensed health care
149 2 facilities (a residential care facility, a nursing facility,
149 3 an intermediate care facility for persons with mental illness,
149 4 or an intermediate care facility for persons with mental
149 5 retardation) and various other listed programs providing
149 6 health-related services or programs that are accredited by the
149 7 state or paid for with public funds.

149 8 The bill applies the same requirements for hospitals under
149 9 Code section 135B.34 and for the health care facilities and
149 10 other services and programs that are subject to Code section
149 11 135C.33. This explanation describes the requirements
149 12 applicable under both Code sections, noting where changes are
149 13 made to current law.

149 14 In addition to criminal history and dependent adult abuse
149 15 record checks, child abuse record checks are required by the
149 16 bill. Under current law, child abuse record checks are
149 17 optional under Code section 135C.33.

149 18 The bill provides a new contingent requirement in the event
149 19 the ownership of a licensee is transferred. The records
149 20 checks are required at the time of the ownership transfer for
149 21 any employee for whom there is no documentation that the
149 22 records checks have been performed. The employee may continue
149 23 to be employed pending the performance of the records checks
149 24 and any related evaluation.

149 25 Current law in Code section 135C.33 allows an evaluation to
149 26 be performed by the department of human services for any crime
149 27 or type of abuse to determine whether prohibition of a
149 28 person's employment is warranted. The bill requires the
149 29 department of public safety to notify employees concerning a
149 30 prospective employee's criminal record and the department of
149 31 human services to notify employers concerning a prospective
149 32 employee's child or dependent adult abuse record, and of the
149 33 employer's option to request the evaluation to be performed.

149 34 Once a person is employed, if after the employment
149 35 application date the employee is convicted of a crime or a
150 1 founded abuse record is entered, the employee is required to
150 2 inform the employer within 48 hours. The employer is required
150 3 to verify the information, and if verified, the bill's
150 4 employment prohibitions and evaluation requirements are
150 5 applicable. An employee may continue to be employed while the
150 6 evaluation is being performed. An employee who fails to
150 7 inform the employer within the required 48-hour period commits
150 8 a serious misdemeanor. A serious misdemeanor is punishable by
150 9 confinement for no more than one year and a fine of at least
150 10 \$315 but not more than \$1,875.

150 11 If the employer is provided credible information, as
150 12 determined by the employer, by someone other than the employee
150 13 that the employee has committed a crime or has a record of
150 14 founded abuse and the employee had not informed the employer
150 15 within the 48-hour period, the employer must verify the
150 16 information within 48 hours of being informed. If verified,
150 17 the bill's employment prohibitions and evaluation requirements
150 18 are applicable. An employee may continue to be employed while
150 19 the evaluation is being performed. The employer may notify

150 20 the county attorney concerning an employee who fails to notify
150 21 an employer within the 48-hour period.

150 22 Code section 135H.3, relating to the nature of care
150 23 provided in a psychiatric medical institution for children, is
150 24 amended to provide that children requiring treatment for a
150 25 biologically based mental illness and meeting other criteria
150 26 are deemed to meet the acuity criteria for inpatient treatment
150 27 under various health care coverage provisions.

150 28 Code section 217.19, relating to DHS expenses, is amended
150 29 to require the department of administrative services to work
150 30 with DHS in order to develop and implement an expense policy
150 31 for members of boards, commissions, and other bodies so that a
150 32 person with an income below 150 percent of the federal poverty
150 33 level may have expenses paid in lieu of reimbursement.

150 34 Code section 225C.40, relating to family support subsidy
150 35 program payment and appeal requirements, is amended. The
151 1 family support subsidy program is administered by DHS to
151 2 assist families with a family member who is younger than 18
151 3 and has an educational disability or special health care needs
151 4 or otherwise meets the federal developmental disability
151 5 definition. The bill provides that if a family appeals the
151 6 termination of a family member who attains age 18, family
151 7 support subsidy payments are withheld while resolution of the
151 8 appeal is pending.

151 9 Code section 235B.6, relating to access to dependent adult
151 10 abuse information, is amended to provide that a person who
151 11 submits written authorization from an individual allowing the
151 12 person access to dependent adult abuse information on the
151 13 determination only on whether or not the individual who
151 14 authorized the access is named in a founded dependent adult
151 15 abuse report as having abused a dependent adult has access to
151 16 such dependent adult abuse information.

151 17 Code chapter 237A requirements are amended to require child
151 18 care homes and child development homes to be located in a
151 19 single-family residence and to revise record check
151 20 requirements.

151 21 Under Code chapter 237A, a "child care home" provides child
151 22 care to five or fewer children at any one time and is not
151 23 registered with the department of human services. A "child
151 24 development home" is registered with the department and may
151 25 provide child care to six or more children at any one time.

151 26 Code section 237A.3 is amended to require child care homes
151 27 to be located in a single-family residence that is owned,
151 28 rented, or leased by the person providing the child care. A
151 29 single-family residence includes an apartment, condominium,
151 30 townhouse, or other individual unit within a multiple unit
151 31 residential dwelling. A single-family residence does not
151 32 include a commercial or industrial building that is primarily
151 33 used for purposes other than a residence.

151 34 Code section 237A.3A is amended to require child
151 35 development homes to be located in a single-family residence
152 1 that is owned, rented, or leased by the person or, for dual
152 2 registrations, at least one of the persons named on the child
152 3 development home's certificate of registration. The
152 4 clarifications concerning the inclusion of units within
152 5 multiple unit residential dwellings and the commercial or
152 6 industrial building restriction applied to child care homes
152 7 are also applied to child development homes.

152 8 Current law under Code section 237A.5, relating to
152 9 personnel providing child care or living in a child care home
152 10 or facility, requires criminal and child abuse registry checks
152 11 to be conducted by DHS for a "person who is subject to a
152 12 record check". This term means the person is being considered
152 13 for licensure or registration or is registered or licensed
152 14 under Code chapter 237A, the person is being considered by a
152 15 child care facility (defined to mean a licensed child care
152 16 center or registered child development home) for employment
152 17 involving direct responsibility for a child or with access to
152 18 a child when the child is alone or is employed with such
152 19 responsibilities, the person will reside or resides in a child
152 20 care facility, the person has applied for or receives public
152 21 funding for providing child care, or the person will reside or
152 22 resides in a child care home that is not registered under the
152 23 Code chapter but that receives public funding for providing
152 24 child care.

152 25 If a record check is performed under Code section 237A.5
152 26 and the record indicates that the person has committed a
152 27 transgression, the department is required to perform an
152 28 evaluation to determine if prohibition of the person's
152 29 involvement with child care is warranted. "Transgression"
152 30 means the record indicates the person has been convicted of a

152 31 crime, has a record of having committed founded child or
152 32 dependent adult abuse, is listed in the sex offender registry,
152 33 has a record of having committed a public or civil offense, or
152 34 DHS has revoked a child care facility registration or license
152 35 due to the person's continued or repeated failure to operate
153 1 the child care facility in compliance with law and rules
153 2 adopted pursuant to the Code chapter.

153 3 The bill provides that an evaluation is required even if
153 4 the application which made the person subject to the record
153 5 check is withdrawn or the circumstances which made the person
153 6 subject to the record check are no longer applicable. If the
153 7 evaluation determines that prohibition of the person's
153 8 involvement with child care is warranted, the law regarding
153 9 such prohibition is applicable. A person who provides child
153 10 care in violation of the prohibition is subject to criminal
153 11 penalty or injunction.

153 12 Reference to certain child care funding for wrap-around
153 13 services provided through DHS in Code section 237A.13,
153 14 relating to the state child care assistance program is
153 15 eliminated. The stricken subsection provides that a licensed
153 16 child care center or registered child development home is
153 17 deemed to be eligible for child care wrap-around funding if
153 18 the center or home previously received the funding, meets
153 19 requirements to be a shared vision program except that a
153 20 shared vision program is not operated in the county where the
153 21 center or home is located, and is providing child care
153 22 wrap-around service that is included in the plan for the
153 23 community empowerment area in which the center or home is
153 24 located. The shared visions program is administered through
153 25 the department of education to provide quality child
153 26 development programs to preschool children.

153 27 New Code section 234.47 requires DHS, the department of
153 28 management, and the legislative services agency to jointly
153 29 arrive at consensus projections for state child care
153 30 assistance and adoption subsidy program expenditures.

153 31 New Code section 249A.15A requires DHS to adopt rules to
153 32 provide that licensed marital and family therapists are
153 33 entitled to reimbursement from the Medicaid program for
153 34 behavioral health services and licensed master social workers
153 35 may provide treatment under the program under certain
154 1 conditions. Another section requires DHS to amend the
154 2 Medicaid state plan accordingly.

154 3 Code Section 249J.20, relating to the medical assistance
154 4 projections and assessment council, is amended to provide for
154 5 meeting at least annually rather than quarterly.

154 6 New Code section 256.35A creates the Iowa autism council in
154 7 the department of education to advise the state in developing
154 8 and implementing a system for services to children with autism
154 9 and to meet the needs of adults with autism.

154 10 Code section 514I.6 is amended to provide that a
154 11 participating insurer under the hawk=i program is prohibited
154 12 from requiring participation by a provider in other health
154 13 insurance products of the participating insurer as a condition
154 14 of participation in the qualified child health plan.

154 15 The responsibility for convening a workgroup concerning the
154 16 care and treatment provided by the university of Iowa
154 17 hospitals and clinics to inmates, students, and former inmates
154 18 of state institutions in 2005 Iowa Acts, chapter 167, is
154 19 shifted from the department of human services to the state
154 20 board of regents.

154 21 INDIVIDUAL DEVELOPMENT ACCOUNTS. This division relates to
154 22 individual development accounts authorized for certain
154 23 individuals with low income.

154 24 Under current law in Code chapter 541A, the department of
154 25 human services administers the accounts through operating
154 26 organizations who certify the accounts. Account holder
154 27 deposits may be matched by operating organizations, federal
154 28 individual development account funding, and state savings
154 29 refunds providing a state match for the deposits of account
154 30 holders with family incomes of 200 percent or less of the
154 31 federal poverty level. The state savings refund amount ranges
154 32 from 15=25 percent of account holder deposits, depending on
154 33 income. Interest and earnings on the accounts and the
154 34 deposits made to an account by others is exempt from state
154 35 income tax. Withdrawals from an account must be approved by
155 1 the operating organization for one of the following approved
155 2 purposes: higher education costs, training programs, purchase
155 3 of a primary residence or improvements to such residence,
155 4 capitalization of a small business start-up, or certain
155 5 emergency medical costs.

155 6 The bill makes a number of changes to the requirements for

155 7 individual development accounts. New approved purposes for
155 8 using the accounts are provided authorizing purchase of an
155 9 automobile, purchase of assistive technology to assist an
155 10 account holder or family member with a disability, or for
155 11 other purposes approved in rule. The maximum amount of
155 12 deposits of principal to an account is reduced from \$50,000 to
155 13 \$30,000. Administration of the program is moved from the
155 14 department of human services to the division of community
155 15 action agencies of the department of human rights.
155 16 Requirements for household income determinations and other
155 17 procedures for the accounts are required to be adopted in rule
155 18 by the commission on community action agencies. The division
155 19 of community action agencies is required to utilize a request
155 20 for proposals process for selection of operating organizations
155 21 and approval of financial institutions.

155 22 The division includes a temporary authorization for
155 23 operation of the accounts in accordance with the rules adopted
155 24 by the department of human services until replacement rules
155 25 are adopted. The commission may adopt the replacement rules
155 26 using emergency procedures which forego public comment and
155 27 review by the administrative rules review committee.

155 28 The state savings refund is changed to a state match and is
155 29 increased to 100 percent of account holder deposits. The
155 30 current state match limit of a percentage of account holder
155 31 deposits of up to \$2,000 per calendar year is charged with an
155 32 overall limit of \$2,000. If funding is available the
155 33 commission may authorize implementing refugee accounts with
155 34 withdrawals approved for the special needs of refugee
155 35 families. Code section 422.7, providing for adjustments to
156 1 income for purposes of determining net income under the state
156 2 income tax, is amended to include a reference to state match
156 3 payments in the exemption provision relating to individual
156 4 development accounts. The provisions of the bill referencing
156 5 the state match payment are retroactively applicable to
156 6 January 1, 2008, for the tax year beginning on that date.

156 7 An individual development account state match fund is
156 8 created in new Code section 541A.7 with a standing
156 9 appropriation of any moneys available in the fund to the
156 10 division for payments of state matches. The division of
156 11 community action agencies is authorized to revise the match
156 12 payment provisions as necessary to restrict payments to the
156 13 funding available. A requirement for the program
156 14 administrator to work with the federal government and the
156 15 state's congressional delegation to secure federal tax
156 16 exemption for the accounts and account earnings and to report
156 17 annually is repealed. A portion of any appropriations from
156 18 the fund may be used for administrative costs.

156 19 This division takes effect upon enactment.
156 20 DOMESTIC VIOLENCE. This division relates to domestic abuse
156 21 protective orders and animals owned or held by a petitioner,
156 22 respondent, or minor child of the petitioner or respondent in
156 23 domestic abuse cases.

156 24 Code section 236.3 is amended to provide that a person who
156 25 files a petition for relief from domestic abuse may specify
156 26 and identify any animal owned, possessed, leased, kept, or
156 27 held by the petitioner, respondent, or minor child of the
156 28 petitioner or respondent whose welfare may be affected by
156 29 domestic abuse.

156 30 Code sections 236.4 and 236.5 are amended to provide that
156 31 the court may include in both temporary and permanent orders
156 32 issued a grant to the petitioner of the exclusive care,
156 33 possession, or control of any animal specified and identified
156 34 in the petition. The court may order the respondent to stay
156 35 away from the animal and forbid the respondent from taking,
157 1 transferring, encumbering, concealing, molesting, attacking,
157 2 striking, threatening, harming, or otherwise disposing of the
157 3 animal.

157 4 ALZHEIMER'S DISEASE. The bill addresses Alzheimer's
157 5 disease and similar forms of irreversible dementia.

157 6 New Code section 135.154 requires the department of public
157 7 health to determine the existing service utilization and
157 8 future service needs of persons with Alzheimer's disease and
157 9 similar forms of irreversible dementia. The analysis is also
157 10 required to address the availability of existing caregiver
157 11 services for such needs and the appropriate service level for
157 12 the future. The department is required to modify its
157 13 community needs assessment activities to include questions to
157 14 identify and quantify the numbers of such persons. The
157 15 department is also required to collect data regarding the
157 16 numbers of such persons exhibiting combative behavior and the
157 17 numbers of treatment providers. Health care facilities are

157 18 required to provide information for the data collection. The
157 19 department's implementation is limited to the extent of the
157 20 funding available.

157 21 New Code section 231.62 directs the department of elder
157 22 affairs to perform various actions regarding the needs of such
157 23 persons, including regularly reviewing trends and initiatives,
157 24 expanding and improving the training and education of those
157 25 who address the needs of such persons and caregivers, and
157 26 providing funding for building public awareness. The
157 27 department is directed to adopt rules concerning a list of
157 28 education and training requirements. The department is
157 29 required to consult with the direct care worker task force
157 30 created in 2005 Iowa Acts in adopting the rules and in
157 31 coordination with the task force's recommendations. An
157 32 implementation section requires the department to initially
157 33 implement the training and public awareness provisions on or
157 34 before July 1, 2010.

157 35 TUITION ASSISTANCE == HEALTH CARE FACILITY EMPLOYEES. This
158 1 division provides that if the general assembly appropriates
158 2 moneys for the purpose of the establishment by the department
158 3 of education, in consultation with the department of human
158 4 services and the north Iowa area community college, of a
158 5 tuition assistance pilot program to provide a grant to a
158 6 community college for purposes of awarding tuition assistance
158 7 to residents of Iowa who are students enrolled in the
158 8 community college and who are employed by a health care
158 9 facility to provide services to adults with mental illness or
158 10 mental retardation, the department of education shall
158 11 establish such a pilot. An appropriation is provided in the
158 12 bill from the health care transformation account.

158 13 The departments of education and human services are
158 14 directed to work collaboratively to develop a system for
158 15 determining the number of hours a student shall work in a
158 16 health care facility in return for a percentage reduction in
158 17 the student's tuition costs within the limits set by the
158 18 appropriation for this purpose.

158 19 A participating community college must enter into an
158 20 agreement with one or more participating health care
158 21 facilities, and may also enter into an agreement with one or
158 22 more local nonprofit public agencies, to match state funds
158 23 provided on a \$1-for-\$1 basis for tuition assistance for
158 24 eligible students. A participating health care facility must
158 25 agree to provide the community college with the number of
158 26 hours the student has accrued in order that the community
158 27 college may determine the percentage reduction in the
158 28 student's tuition costs.

158 29 The grant recipient must compile and submit information
158 30 regarding the program's implementation and level of local
158 31 participation in the program in the manner prescribed by the
158 32 department. The department must summarize the information and
158 33 shall submit the information and its findings and
158 34 recommendations in a report to the general assembly by January
158 35 15 of the fiscal year following the completion of the pilot

159 1 program.
